What to wear to Goodwood Revival

Vintage inspired motoring clothing brought to you by Holden's

Goodwood Revival is the world's most popular historic motor racing festival, and is the only event of its type to be wholly set in the historic era of the 1950's and 60's. The event relives the golden era of the Goodwood Motor Circuit, which was ranked as one of the leading racing venues throughout its active years, from 1948 to 1966. The event appeals to all ages, with historic motor racing, period theatre, music, fashion and three days of great family fun.

This year Goodwood Revival is taking place on the 11th-13th September. Since the very beginning of Goodwood Revival, fashion has been a primary part of the annual historic motoring event, the vast majority of visitors embrace the historic atmosphere and arrive wearing the most fabulous vintage outfits.

So if you are going to Goodwood Revival, but are unsure of what to wear, Holden Vintage and Classic stock a variety of vintage clothing and accessories to help you get that look. There are a few options that you may wish to explore, from a classic English gentleman, a period racer or classic team mechanic! Please see below some suggestions brought to you by Holden's.
